ZACHARY GALELLA, CHAIR

TECHNOLOGY ASSESSMENT
CASEY HUK, CHAIR

YOUNG OPS. & PROFESSIONALS
MICHAEL O'CONNOR, CHAIR

As we kick off our annual Water Environment Poster Contest, LIC-NYWEA would like to invite you to make 2026 both educational and fun for your students in grades 1 through 5.

Our topic is 'Create a Watershed Superhero'. What you do at your home and in your community affects everyone downstream of you. This poster contest is meant to encourage students to learn about their role in the watershed and to demonstrate an understanding of how they can conserve and protect our water resources, now and for future generations. We look forward to the artwork being creative and fun!

- Topic: Create a Watershed Superhero
- Contest is open to students in grades one through five in Nassau or Suffolk County
- Posters should be no larger than 8.5" X 11" landscape
- Students should limit their poster design materials to pencils, markers and paints
- No collages, montages or three-dimensional posters will be accepted
- One entry per student
- The following information should be included with each poster submission: student's name, school, address, grade level, teacher's name
- Pictures of entry posters can be emailed
- Posters should have a clear message with text and artwork of how to protect the watershed

Winners will obtain prizes and be featured on our Long Island Chapter website at [NYWEA Long Island Chapter \(linywea.com\)](http://NYWEA Long Island Chapter (linywea.com)).

Thank you for your interest and participation. Let the "**Create a Watershed Superhero**" poster contest begin!
